If Mothers Only Knew!

Nineteen-twentieths of the sickness of

and worms!

The danger of constipation is understood, but there are 50 different kinds of worms that may exist in the stomach and bowels, and children are especially apt to have them. Usually stomachand pin worms.

Signs of worms are: Indigestion, with a variable appetite; abnormal craving for sweets; nausea and vomiting; swollen upper lip; sour tongue; offensive breath; hard and full belly with occasional gripings and pains about the navel; face at one time flushed, then pale and in a few cases the face takes on a dull leaden hue; eyes heavy and dull, twitching eyelids; itching of the nose; itching of the rectum; short, dry cough; grinding of the teeth; little red points sticking out on tongue; starting during sleep; slow fever; pulse quickened

and irregular; body may be hot; and often, in children, convulsions. Rid the child of worms and you will have a healthy, happy child.

NOTE—Dr. True's own prescription, sold under the name of Dr. True's Elixir, is the best remedy in the world for worms. It destroys all worm life, expels worms from the body and makes the child healthy again, All dealers, 35c, 50c and \$1.00.
